

OmaTuomioistuin

E-service for general courts

Handle legal matters in a flexible and easy way.

At the moment, you can use the e-service to handle the majority of petitionary matters and disputes dealt with by district courts. The use of the e-service will later be extended to other matters handled by general courts, as well as to the appeal phase and acting on behalf of somebody else.

Benefits of the e-service

- You can submit applications, applications for summons and statements and submit the necessary attachments to the court and follow the progress of matters regardless of time and place.
- You can acknowledge receipt of a document sent by the court and receive the court's messages in the e-service.
- You can find the relevant documents in your matter in the e-service.
- You can check the deadlines related to the processing of a matter.
- The e-service is fast and easy to use.

Secure e-service

- The e-service is protected by strong identification.
- Sending and receiving documents is secure.
- You will receive notifications of new messages in Suomi.fi Messages or, if you haven't activated Suomi.fi Messages, to your own email.
- The notifications received in Suomi.fi Messages contain a link to OmaTuomioistuin to the matter to which the new message relates.
- Email notifications never contain links.

Instructions for starting to use the e-service:

- ➔ Go to the e-service at **omatuomioistuin.fi** and log in using strong identification. Please note that the e-service is available only in Finnish and Swedish.
- ➔ Next, enter the OmaTuomioistuin e-service as your process address. This way, you will receive relevant messages in the e-service in the future.
- ➔ Provide the email address to which you want to be notified of new messages arriving in the e-service.
